

함께 만드는 더 나은 미래 HAPPY TOGETHER

Happy Together Program

Happy Together Program is A-Z support program of hiring talents with disabilities, in collaboration with AMCHAM's Partners for the Future Foundation. To support high potential individuals with disabilities, job training programs and internships with participating company are offered, leading to **high quality job opportunities** for the exceptional talents & realization of ESG obligations with good talent sourcing for companies.

For Participants

- For Highly talented people with disabilities ; Experienced talent with acquired disabilities & leading university students with disabilities
- Provision of high-quality job opportunities tailor-developed for the company & disabilities

For Participating Companies

- Good way to execute ESG obligations & cost savings from tax/fines for disability hiring
- Access to good talent pool with higher chance to find right fit from expert support in job development, training & onboarding support

We are HERE together for you as the only Partnership that understand your need & situation exactly.
